

Central City Apartments

439 Denver Street, Salt Lake City, UT 84111

Permanent Supportive Housing

As one of our Four Pillars of Care, permanent housing gives at-risk individuals a chance for long-term stability.

Onsite Services

An array of supportive services and resources are offered to assist tenants in achieving health, recovery, and personal goals.

About

Central City Apartments provide permanent housing, supportive services, and outpatient mental health services to vulnerable individuals at or below 30% Area Median Income (AMI) experiencing homelessness and serious mental illness (SMI).

CHARTER

A supportive-living program offered at Central City Apartments with 24-hour support staff, crisis coordination, transportation, and more.

Our Purpose

Opened in August of 2021, Central City Apartments serves single adults who are homeless or at-risk homelessness and suffering from serious mental illness. Here we provide time-unlimited services to help tenants manage mental health conditions and substance use disorders.

Our CHARTER Program

Standing for Community Housing and Assertive Response for Treatment-Enhanced Recovery, the CHARTER Program at Central City Apartments has round-the-clock staff, onsite recovery meetings, crisis coordination, behavioral health coordination, and transportation services for tenants.
